

Asthma Van Enrollment Form

Date: _____

The Asthma Van is a service provided free of charge in collaboration with Camden- Clark Memorial Hospital. A certified Respiratory Therapist will provide asthma education, troubleshooting problems related to frequent asthma episode, test pulmonary function and teach your child to recognize early symptoms of an asthma attack to prevent a critical asthma episode. The respiratory therapist will also teach your child a method to test their own lung status when asthma symptoms occur.

Does your child have Asthma? Yes or No

Do you want your child to participate in the Asthma Van Services? Yes or No

If you want your child to participate in the asthma services. Please complete the Enrollment and Consent Form for Wellness Center Services sent home with your child, or stop by the Wellness center for a copy.

The Asthma Van is normally at the Wellness Center, the first Monday of each month. Sometimes during the year, the date is rescheduled due to school closures and holidays. Please call the Wellness Center for the Asthma Van Schedule.
